

# Hospice Brazos Valley Inpatient Facility

## Legacy Tree

Hospice Brazos Valley has "planted" a Legacy Tree at the Inpatient Facility as a tangible way of remembering our patients. The Legacy Tree is located at the Hospice Brazos Valley Inpatient Facility. We invite you to remember your loved one with a personalized inscription on a leaf. This beautiful tree was sculpted by a local artist, Alan Lee, and gifted by the Clearfield family as a tribute to Ruth Clearfield.
